How to create a Guest Parking Session

These steps below will allow Flinders University parking Service Specialists to create a Guest Parking Session. Guest Parking Sessions will be charged back to the College / Portfolio.

1. Log in to vPermit using your Okta dashboard
2. Click on **Guest Parking** located in the menu bar

3. Click on the **Create New Guest Parking** button
4. Enter the vehicle registration (in unknown enter ABC123). You will then need to ensure the correct registration is updated prior to the session commencing), validate dates and times.

Select the parking zone, either General Parking or 2P Short Term Parking areas.

Create Guest Parking

Guest Parking $2.80 per hour
