6. Assessment Procedure

6.1 Application Assessments

Applications for DTS will be assessed by the Resource Committee using the following criteria:

- the degree to which the workshop/conference will enhance skills and knowledge leading to demonstrable contribution to the work and productivity of the University;
- the applicant's contribution to the conference
- benefit to the individual's work area;
- benefit to the individual;
- level of support from supervisor and/or cost centre;
- level of support received by the applicant in the current calendar year;
- the University's Equal Opportunity Policies;
- availability of funds.

Preference may be given to applicants who have not received any other University funding.

Rural and Remote Health applications will be considered by a Rural and Remote Health Conference Sub-Committee.

All decisions are made at the discretion of the Resource Committee and are considered final.

7. Successful Applicant Responsibilities

7.1 Applicant Responsibilities

Staff awarded funding through the DTS must:

- Book travel using the appropriate Flinders University systems and in accordance with internal policies and procedures
- Ensure that all expenditure is consistent with the application budget and all financial claims are submitted within two (2) months of the identified activities.
- Submit a travel report using the provided template within one (1) month of the activity being completed.

8. Other Schemes and Grants

In addition to the DTS, there are a range of other grants which can be accessed to support conference attendance and professional development.

8.1 Overseas Travel Scheme

The College offers the Overseas Travel Scheme (OTS) pursuant to clause 64 of the Flinders University Enterprise Agreement 2023-2026 (referred to as the Overseas Conference Scheme). The OTS is to assist members of staff who are invited to make substantial contributions to overseas conferences, as well as attend workshops and/or other international activities.

8.2 FHMRI Research Conference Support Grant

The FHMRI Research Conference Support Grant is a commitment from the College to raise the quality of individual and collective research outputs by enabling collaboration, dissemination of research findings, and sharing of ideas and methods. The FHMRI Research Conference Support Grant provides support for EMCRs.

8.3 Professional Staff Development Fund

The Professional Staff Development Fund is open to all professional staff employed under the 2023-2026 Flinders University Enterprise Agreement on a continuing or fixed term basis with six (6) months or more continuous service (not including casual service).
