

PROFESSIONAL STAFF DIRECTORY

August 2023

Welcome to the College of Humanities, Arts and Social Sciences Professional Services

Our professional services support the University's activities in academic, student, international, research, and corporate areas. They are a hardworking and highly motivated team who are always seeking to improve the services provided to enhance the customer experience.

This professional services guide will help you get to know our professional staff services and assist in directing you to the right staff member.

Many of our College services can be accessed via our online request tool 'Service One' via your OKTA dashboard.

DIRECTOR OF COLLEGE SERVICES

The Director of College Services (DoCS) is responsible for providing leadership, and strategic and operational direction, for the College's delivery of professional support services to students and staff.

As part of the Leadership Team, the DoCS leads strategic projects and change processes within the College and contributes to the development and local implementation of University strategies, frameworks, standards and transformation initiatives.

The role provides leadership and direction to the professional staff working within the College across the matrix structure and is responsible for the establishment of multi-disciplinary teams to provide cohesive and consistent customer service to staff and students.

DIRECTOR OF COLLEGE SERVICES Sean Parsonage

Contact: 7421 9262

Email: sean.parsonage@flinders.edu.au Location: Humanities, level 2, Room 278

COLLEGE SUPPORT TEAM

The Executive Officer and College Support team provide strategic and administrative support to the Vice-President and Executive Dean and Senior Executive of the College, and operational support to the whole College. They support College internal events, maintain the document library, communication systems and produce the College newsletter.

The College Support Team are also responsible for the delivery of orientation, student mentoring, the implementation of strategic initiatives and programs (such as APRs, workload and 3 year planning), supporting curriculum development processes, committees and projects and governance processes.

STUDENT ADMINISTRATION SERVICES

Student Administration Services (SAS) provides support across the student and teaching lifecycles, from enrolments to graduation. The Division is defined by two interconnected levels of service: the College SAS teams and the University-wide SAS teams, who work collaboratively to deliver simple, timely, efficient and innovative student administration services and advice to both students and staff. The College SAS teams provide integrated, local support services for student, teaching and learning activities and are the closest point of contact for the College. Led by a College Manager, the teams consist of a number of support roles providing services in an area of expertise across the student administration lifecycle. Incoming service enquiries are triaged to ensure that staff are connected with the appropriate SAS team member to solve the request.

COLLEGE MANAGER Julie Strunk

The College Manager is responsible for leading the operations of the SAS service delivery team and driving SAS service improvements within the College (including Transnational Education Support).

Contact: 7221 8295

Email: <u>Julie.strunk@flinders.edu.au</u> Location: Humanities, Level 2, Room 208

COORDINATOR ENROLMENT AND STUDENT PROGRESS Janine Clarke

Responsible for coordinating and providing enrolment and student progress services within the College, as well as being an escalation point for complex SAS enquiries

Contact: 8201 2333

Email: janine.clarke@flinders.edu.au Location: Humanities, Level 2, Room 208

ENROLMENT AND COURSE ADVISORS Annie Taverner *and* **Jo Willis**

Responsible for providing students with high-quality enrolment and course planning support, including answering complex enquiries and giving specialised guidance. Managing student study plans, credit applications and course completions.

Annie Taverner

Contact: 8201 5997

MARKETING AND COMMUNICATIONS

The Office of Communication, Marketing and Engagement (OCME) is pivotal in managing and advancing Flinders' reputation as an innovative, world-leading university. In an increasingly competitive higher education market, with a dynamic media landscape, it's crucial to have a strong, consistent and recognisable brand. Through the ongoing development and implementation of strategies and programs, OCME supports the University to achieve its objectives set out in the 2025 Agenda. The experienced, professional staff at OCME are responsible for promoting our brand through words, ideas, and images that articulate and reinforce the mission and values of Flinders. The multi-faceted team assist staff through numerous activities including:

- the management and creation of marketing and branding campaigns and materials
- liaising with external news providers
- producing internal and external media content
- communications training
- alumni engagement
- advancement and fundraising support
- events management
- and stakeholder engagement support.

Marketing and Communications partners manage marketing and events aligning with College strategic plans, College marketing and communication plan, develop written content for a wide range of purposes, increase the profile of the College research activities, College Website text, dissemination of newsworthy activities, College strategic engagement with University events, for example, Open Days.

INFORMATION AND DIGITAL SERVICES

IDS are the first point of call for all your IT needs. The IDS team will help you with:

Teaching and Learning – Technology exists in all teaching and learning spaces to meet the needs of both presenter and audience. This includes all your audio visual, online and remote access needs. Don't hesitate to reach out to IDS if you need advice or assistance with using the technology.

Computer Support – IDS partners with the college to ensure staff are provided with a computer that meets their needs. They ensure your device remains operational and has the applications relevant to you. They also provide support for your voice and video communication needs, such as telephony and Microsoft Teams.

Research – IDS manages High Performance Computing (HPC) and has a team dedicated to supporting the colleges' research needs.

Planning & Data Analysis – IDS can assist the college and you with your data analysis needs. Planning and statistical data in relation to the college is available, along with a plethora of other reporting capabilities.

Strategy - IDS in collaboration with the college will implement the most appropriate technology to meet your and the Colleges' needs.

It all starts with contacting the IDS Service Desk:

Phone: 8201 2345

Service One: Raise a support ticket online using Service One
