HDR SCHOLARSHIP

A HDR Stipend proposed on this form will normally be administered in line with the Privately Funded Scholarship guidelines and will only deviate from those rules if there is a formal agreement prepared between the funding body and Flinders University. In cases where funding is coming from an external source, the funding body must provide an agreement to the Research Administration Office (research.contracts@flinders.edu.au) before payments can commence. Students must be enrolled on a full-time basis on or before the commencement date of the scholarship. It is not permissible to pay a stipend prior to the date of enrolment.
