Summary Level Research Manager Dashboard FAQ

Which of my projects are included in this dashboard?

The dashboard includes all the projects that are classified as Research Tied (RT) projects by the University.

A list of your Research Projects is available for you to view, as shown below:

List of Research Projects							
Search:							
Drag a column header here to group by that column							
Cost Centre	Project	Project Description	Project Expiry Date	Time Indicator	Available Funds (life to date)	Finances Indicator LTD	Available Funds (whole of life)	Finances Indicator WOL
390	41091	17/19 1121277 NHMRC Development Grant	31/12/2020	🟢	$74,890 🟠		-$71,175 🔴
342	42244	18/19 DSTG (ID8124) .	16/08/2019	🔴	-$11,564 🔴		$12,436 🟠
342	42405	18/19 DSTG My IP 7849 .	02/10/2019	🟠	$31,577 🟢		$90,335 🟢

Traffic Light	Action Descriptor	Time Action Criteria	Finances Action Criteria (LTD)	Finances Action Criteria (WOL)
🔴	Project requires immediate action	Project is over expiry date	Project is in deficit	Project is in deficit
🟠	Project needs review	Project is within 3 months of expiry date	Project has exceeded 75% of the total income received	Project has exceeded 75% of the project budget available
🟢	Project requires ongoing management	Project has more than 3 months to the project expiry date	Project expenditure is less than 75% of the total income received	Project expenditure is less than 75% of the project budget available

Life to Date (LTD) includes actual revenue received to date and, the actual expenses incurred to date.
