

# Connecting Flinders

## Using the Jabra Speaker with your 9971 Cisco Handset

### FIRST TIME PAIRING OF JABRA AND CISCO 9971 HANDSET

#### STEP 1: ACTIVATE JABRA BLUETOOTH

The first time you connect your Cisco 9971 handset to the Jabra speaker:

- Press and hold the **On/Off** button for 2 seconds. A small LED light indicator will appear above the On/Off button.
- Press and hold the **Bluetooth** button for 2 seconds
- The Bluetooth icon will flash blue
- A voiceover will provide instructions
- Release the Bluetooth button once you hear these instructions.

#### STEP 2: ACTIVATE BLUETOOTH ON CISCO 9971 PHONE

- Press the **Settings** button on the phone handset
- Select **Accessories**
- Select **Add Bluetooth Accessory**
- Select **Jabra Speak 510** and press the **Connect** soft key
- Voiceover will confirm your connection is successful.

### RECONNECT/DISCONNECT SPEAKER

Once you have initiated the first time pairing, you can simply reconnect the Jabra speaker when you next need to use it:

- Press and hold the **On/Off** button for 2 seconds
- Tap the **Bluetooth** button to reconnect and disconnect and when the call is complete.

### CHARGING THE SPEAKER

Using the **USB** Cable plug the speaker into a computer to charge. The **Battery Level** light is red when charging and green when fully charged.

	On/Off	Press and hold 2 seconds to turn on or off
	Answer Call	Tap the button to answer the call
	End or Reject Call	Tap the button to end or reject the call
	Speaker Volume	Tap the + to increase volume or - to decrease volume
	Battery Status	Tap the battery status button to display the current battery level
	Connect Bluetooth Device	Press & hold Bluetooth button for 2 seconds
	Disconnect or Reconnect Bluetooth Device	Tap the Bluetooth button to reconnect/disconnect
	Mute microphone	Tap the Mute microphone button
