Flinders University recognises the outstanding efforts of individual staff and/or teams in leading activities or projects that promote reconciliation.

The Reconciliation Award is open to all staff, including academic and professional staff, and nominations are welcome across the breadth of university activities (i.e., work being undertaken across research, education, service, or other projects).

The Innovate Reconciliation Action Plan (RAP) is part of the University’s ongoing work to increase Aboriginal and Torres Strait Islander participation, retention and success in higher education and provides a critical framework for the Flinders University Community to commit to reconciliation as part of everyday practice.

Three Reconciliation Awards will be presented at the Flinders University Annual Awards event.

SUBMISSION OF APPLICATIONS
Nominations open 1 November 2021
Nominations close 17 November 2021
Award/s will be presented at the University staff awards ceremony.
Submit applications via the RAP email: reconciliation@flinders.edu.au

ELIGIBILITY
The Flinders Reconciliation Awards will be conferred annually based on an assessment of the individual or team’s demonstration of values and achievements for that calendar year. To qualify, professional staff must be employed at or below HEO10, employed on a Fixed Term or Continuing basis, and employed by the University at the time of presentation of the award. Staff cannot nominate themselves, contractors, or staff with whom they have a close personal relationship. Staff may be nominated more than once, although they will be eligible to receive only one award per year.

Award recipients (individual, team leaders or joint leaders) will not be eligible to re-apply in any individual or leadership role or capacity the following year. Members of a successful team who were not team leaders or joint leaders are not affected by this restriction on eligibility provided that the re-nomination does not substantially replicate their winning application.

Team Applications
- Team awards will be awarded to teams of staff judged on their outstanding contribution to advancing the RAP.
- Teams should consist of at least two members and may include academic staff, and/or professional staff.
- Applications will require the signed endorsement of a member of a college leadership team, or Head of Portfolio.

Individual Applications
- Individual awards will be presented to university staff judged on their outstanding contribution to advancing the RAP.
- Applications will require the signed endorsement of a member of a college leadership team, or Head of Portfolio.

PROCESS
Any member of the University community can nominate either a professional staff member or team of professional staff for a Flinders Reconciliation Award.

Award selection will be based on the written statements provided by the nominator and any additional information provided by the direct or indirect supervisor, where this is sought by the Selection Committee. Therefore, the nomination must clearly demonstrate how the individual or team demonstrated outstanding effort by an individual staff member and/or teams in leading activities or projects that promote reconciliation.
Using the Nomination Form, the nominator will provide:

An Application of no more than a total of three pages containing the following:

- A citation of no more than 40 words that summarises their claim to excellence.
- A brief personal or team profile; and
- A short contextual statement that provides a summary of their activities or projects that promote reconciliation. Plus:
  - No more than two separate additional pages that incorporate a statement addressing the selection criteria; applicants need to provide evidence to support their claims against this criterion.
  - Attach two references of no more than one page each. References should be relevant to your application and attest to your contribution. If the nomination relates to a team, the references should apply to the team.

NOMINATION PROCESS

1. Nominators complete and submit an online Nomination Form.
2. Each nominee’s direct and, where applicable, indirect supervisors are advised of the nomination and may be contacted by the Executive Officer for additional information in support of the nomination.
3. Individual and team award nominees will be advised of the outcome of their nomination.

SELECTION COMMITTEE AND PROCESS

The Selection Committee comprises:

- RAP Oversight Committee Co-Chairs
- Two RAPOC members

The Selection Committee, through the EO, will ensure that there are no outstanding administrative or disciplinary matters pertaining to any nominees before the Committee reviews the nominations.

The Selection Committee will assess all received nominations and will judge the scope and impact of the nominee’s behaviour or outcomes in conjunction with the alignment to the University’s Reconciliation Action Plan. The values and ethos statements will be closely referenced to make the judgements.

Each Selection Committee member will vote on each nomination, with equal voting rights. Where a member of the selection committee, their direct reports or someone with whom they have a close personal relationship has been nominated for an award the member will remove themselves from the voting process of that individual or team.

The Selection Committee will determine the number of awards to be conferred based on the nominations received. If nominations otherwise meet the criteria but are not assessed as being of a standard eligible for an award, nominees may be acknowledged with a letter from the Selection Committee.

The EO is to ensure that awards are noted against each employee’s record.

AWARDS CELEBRATION

The University will host an annual Professional Staff and Reconciliation Awards Celebration to recognise excellence in teaching, research and the achievements of Professional staff, as well as, to recognise the outstanding efforts of individual staff and/or teams in leading activities or projects that promote reconciliation.

Individual award recipients will be invited to attend the annual Staff Awards celebration. Nominators, other colleagues and supervisors of award recipients may also be invited to attend the annual event. This will be limited and dependent on the number of celebration attendees and the venue capacity.

OFFICE OF COMMUNICATION, MARKETING AND ENGAGEMENT

With the support of the EO, OCME will support the awards by ensuring that the award is communicated and promoted to encourage and request nominations over the course of the academic year. OCME will be responsible for the conduct of the consolidated annual awards celebration.
