

ResearchNow

This guide explains how to claim an existing research output in ResearchNow.

Please note after a research output is claimed, it is added to a queue for processing by a Library ResearchNow team member. Once processed you will be added as an author to the research output and notified by the administrator.

Process:

1. Login to *ResearchNow*

2. Navigate to the Personal tab.

3. Select *Research outputs*.

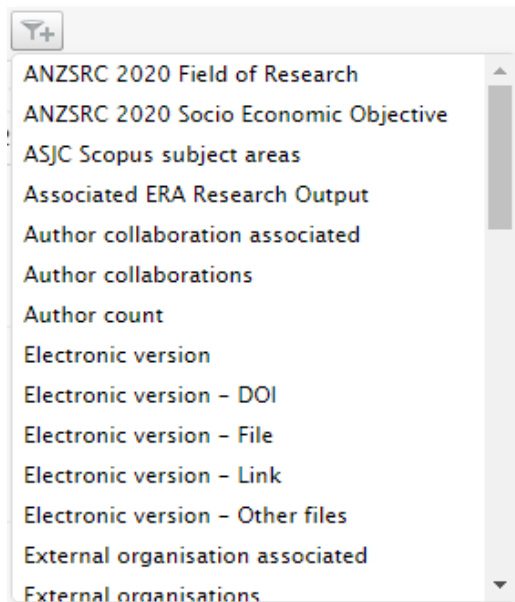

4. Remove the *My content* filter.

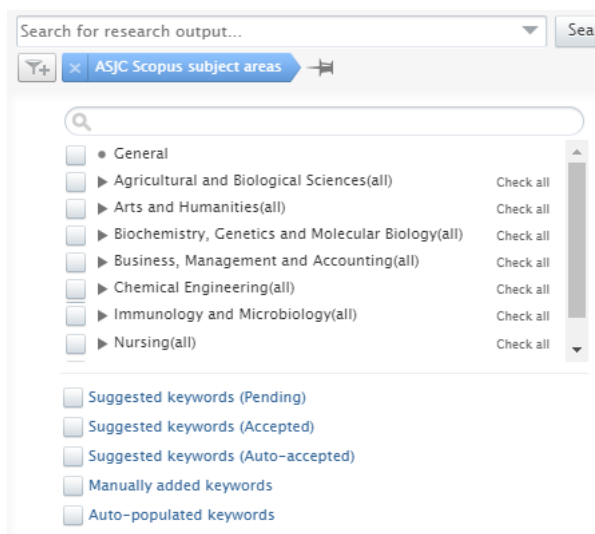

ResearchNow

5. Using the filter under the search bar on the left, select the type of research output you would like to search.

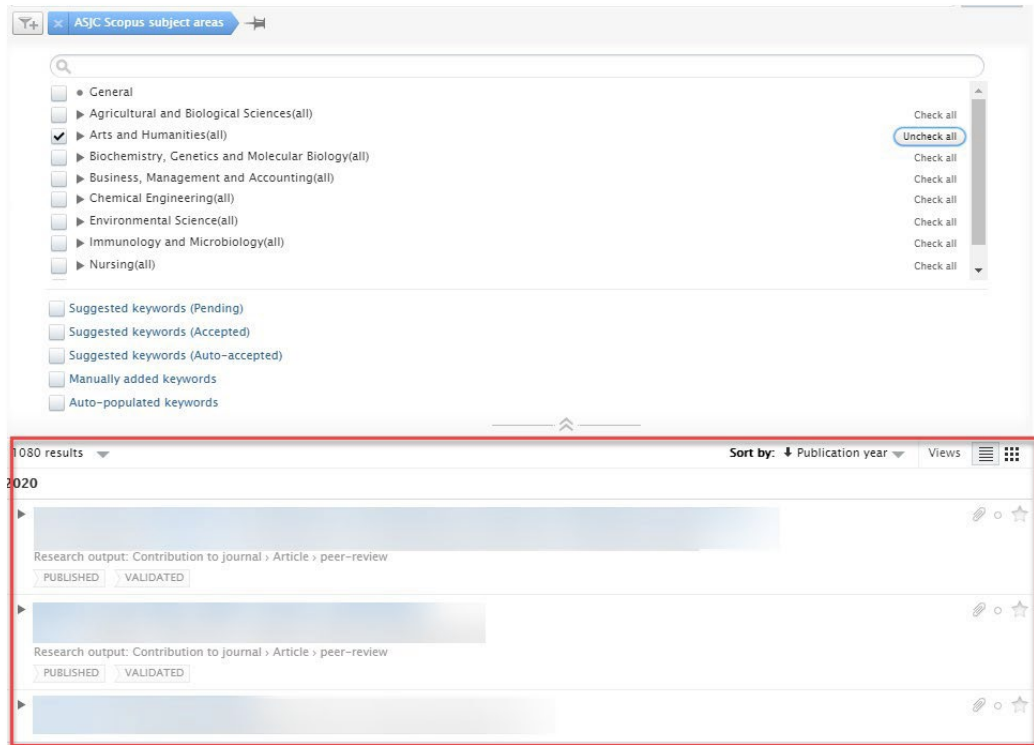

6. Select the further list/s for the publication you wish to claim and select **Check all**.

ResearchNow

7. A list of publications will appear under the search options for you to view.

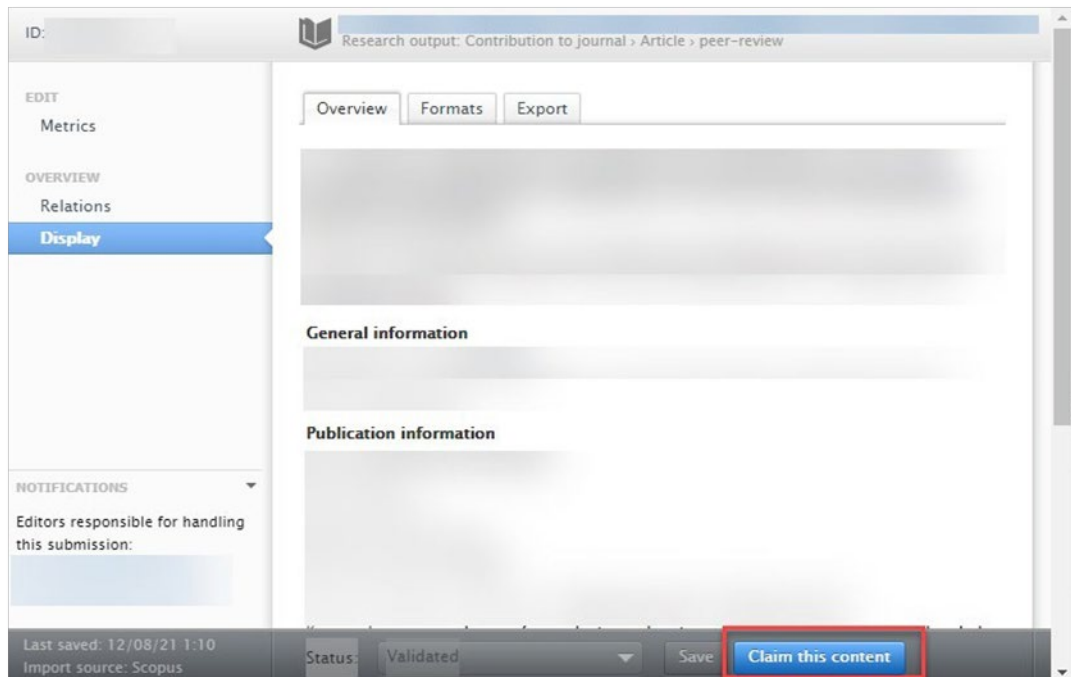

8. Click onto the publication you wish to claim

ResearchNow

9. A pop up window will appear of the selected publication. Select ***Claim this content***

10. Complete a message justifying your claim to the responsible editor.

A screenshot of a confirmation dialog box titled "Do you want to be added to this content?". Below the title, it says "If so - send this message to the responsible editor." There is a text input field labeled "Message (optional)" which is highlighted with a red rectangle. Below the input field, it says "You will receive a message when the content is updated". At the bottom of the dialog, there are two buttons: "Cancel" and "Claim this content".

ResearchNow

11. Select Claim this content.

Do you want to be added to this content?
If so – send this message to the responsible editor.

Message (optional)

Justification reason for claiming of publication

You will receive a message when the content is updated

Cancel Claim this content

12. The search results will show that you have ‘asked to be added as author’ along with the information entered for justification.
